11.06.20

Dear Parents/Carers,

On Tuesday 16th June, Gillespie P.S. pupils will be able to take part in the *Islington Virtual Great Science Share* between 10:00 a.m. and 2:00 p.m. either at home or at school. There is no expectation that your child participate; it is entirely up to you. Any pupils working in Lab_13 on the day will be involved in some way.

The idea is for pupils to conduct an investigation in answer to a scientific question and then to present their findings in any way they like e.g. video, PowerPoint slide show, poster, recorded speech, photos etc. You can see previous pupils' contributions by clicking on the showcase tab at the top of the Great Science Share website <https://www.greatscienceshare.org/> Pupils can contact me via the Lab_13 shared blog or e-mail on Purple Mash if they have any questions.

Pupils' work can be forwarded to me (mbegley@gillespie.islington.gillespie.sch.uk) and then I will arrange for it to be tweeted to #GSSIslington and it will then be included on the Great Science Share website. **Your child should only include their first name on any contributions. I will need you to return the permission slip below to school if your child's work contains any still or moving images of themselves.**

I am really looking forward to helping pupils take part in the event and seeing the contributions that other pupils make.

Yours sincerely,

Megan Begley

Scientist in Residence, Lead of the Science for Life Partnership
