Dear Parents/Carers,

RE: Parent Consultation Meetings held via Video Call

We have taken the decision to move our Parent Consultation Meetings online this week to video call. You will receive a link to the video call one hour before your appointment or you can log in at www.gillespie.schoolcloud.co.uk one hour before your appointment time. The video call can be done on a mobile device/ laptop/ chromebook/ ipad- there's nothing to download or install. Once logged in you will see a notification that you have upcoming video appointments and under this the details of the event, along with a *Join Video Appointments* button. This will become available 60 minutes before your first appointment.

You can watch a video tutorial of how School Cloud works here – <https://vimeo.com/287440137> (Password 'easyevenings') or visit <https://support.parenteveningsystem.co.uk/article/801-video-parents-how-to-attend-appointments-over-video-call> for a useful guide. If you have any issues booking your appointment please call the school office.

If you have not yet booked your slot with your child's class teacher you can do so at www.gillespie.schoolcloud.co.uk. It is a great opportunity to discuss with your child's class teacher how they have settled in to their new class and how they are getting on this term.

We will be sending children's work books home on Wednesday 1st December for you to look at. Please ensure it is returned to school by Thursday 2nd December for children to continue working in.

Yours sincerely,

Mark Owen
Headteacher

Associate
School
