## MEI's Introduction to Music Course

This 60 minute Introduction to Music Course offers children in year 2 and 3 the experience and joy of making music through a range of activities, games and songs. As well as musical skills, children will develop listening skills, social interaction, coordination and memory and language skills.

By the end of year 3 your child will have the skills and knowledge to learn an instrument at one of Music Education Islington's after school Music Centres.
