Dear Parents/Carers,

RE: Breakfast club changes from 30th October 2023

We are pleased to announce that after the half term break, breakfast club will now be organised and run by our fantastic gymnastics company Calypso. Calypso Gymnastics Club is a British Gymnastics and London Gymnastics affiliated club based in Islington. They offer high-quality gymnastics sessions for children aged 3 – 16 years old with mixed abilities and have been working with the school for a number of years now facilitating both gymnastic PE sessions and After School Club sessions. You can see more about who Calypso are and what they do here: <https://calypsogymnasticsclub.com/about-us/>. Rochelle and the team have been working alongside Gillespie staff the past few weeks getting to know the ropes so the children are already familiar with them.

All families who wish to book their children in to breakfast club will now need to do so directly with Calypso. There are 30 places available daily and places will be offered on a first come, first served basis. Booking will be available both in advance and up until the morning of the session (if places are still available). Payment will have to be made at time of booking. The cost will be £4.50 per child per day. Childcare vouchers are not accepted.

Bookings from week commencing 30th October onwards can be made here:

As we move to Calypso we ask that families ensure their Gillespie breakfast club account is cleared of any outstanding payments by Friday 20th October. Any existing overpayment will be kept as credit for trips etc unless you would prefer a refund, in which case please email Sara on swright@gillespie.islington.sch.uk.

We look forward to this new partnership with Calypso Gymnastics Club.

Yours sincerely,
