

Year 6 Leavers hoodies

Jenny, Lisa and Wen are organising leavers hoodies for our Y6 children. We have found a great local company and we will be making sure that the hoodie is affordable to everyone.

ACTION: please let Jenny know (07974689701) if there are any edits to the name of your child that will be printed on the hoodie. This is the link to the class list: [Year 6 Class List.docx](#)

We will start the process of getting the design drafted and send it round (probably about a week to 10 days). If you want sense of what we are talking about, and the ordering process, the link below is a webpage that the company (bbyblk) did for another local school:
