

Welcome

back to Gillespie School!

The school holidays are over and today was our first day in year 1!

It was lovely to see all of our reception friends once more, and exciting to be in a new classroom!

Our classroom is upstairs on the first floor

We have a lovely new teacher called Luke.
Here he is...

Mekdese will be in our classroom too. She will help us & be with us every day 😊

Here we are in our yr 1 class today!...

This is where we hang up our coats and bags in the cloakroom – we share this space with year 2 & 3

We went along the corridor with Luke to explore this new floor. We found out that we are very near Lab_13, electronic world & and Lyn's nurture room

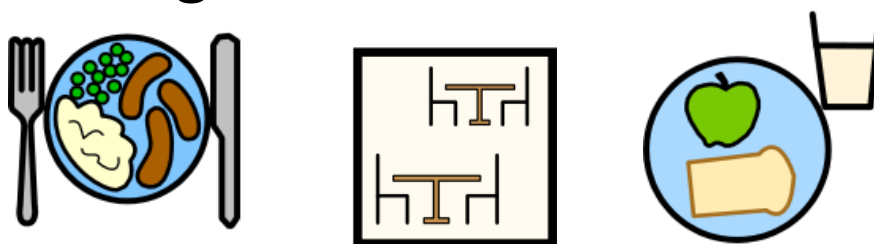

We had fun exploring Lyn's room. She told us that we are welcome to visit again – especially if we may need a little break from the busy classroom 😊 😊 😊

Every day we will go out to the big playground with other classes at 10:25 am

We will eat our lunch in the dining hall together at 12 O'clock

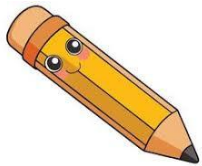

When I need to use the toilet I will ask Luke and walk downstairs with a partner 😊 😊

At 3:30pm school will finish
& it will be home time or
after school club

There will be lots of new and exciting
things happening in my new class and we
are going to have a fantastic year with
Luke & the year 1 team 😊😊😊😊😊😊

Draw a picture of your first day in year 1!

In year 1 I am looking forward to... 😊

Share any worries you may have here...

Grown-ups can help with these!
